

### **Permission to Post Agreement**

By reviewing this document, and agreeing to participate as a presenter and/or panelist, grant to the American Neurological Association (ANA), a non-exclusive, perpetual, world-wide license to use, reproduce, distribute, display and transmit author(s)' presentation on the ANA's websites and related works, including without limitation myana.org, and any other electronic versions, general publication, transcription, translation, sound version, video, or any other version or media now existing and/or later to be created by ANA.

ANA agrees to publish the presentation at its own expense, and to market and distribute the published presentation in such style and format as it determines expedient. Presenters and/or panelists grant the ANA sole and absolute discretion as to placement of the presentation and to edit the presentation in accordance with ANA's standard formatting and style practices and in order to fit space constraints. ANA acknowledges that while it may edit the presentation for space, time constraints or length, the ANA will not alter the basic theme of the presentation, any scientific content presented, any disclaimers, safety discussions or trademark legends. ANA reserves the right to pull the presentation from the website at any time for any reason whatsoever.

In addition, it is understood that the presenters and/or panelists will receive no royalty or other compensation from the ANA for the publication of this material either on the website or in other arrangements other than the associated goodwill received from the publication's dissemination by the ANA.
